

April 22, 2015 President's Update

Aloha,

Your KBC Board met last Thursday and here are some of the highlights from our meeting:

- Rexanne's beginning bridge class was a huge success, averaging over 30 players for the 5 sessions. After another 5 week session that begins May 7th, we hope to have most of them coming to our club for a Novice game at least once a week. Way to go Rexanne!
- For now, we will still honor our monthly birthday folks on the first Wednesday of each month, but will no longer have special treats on the third Wednesday. The general feeling was that it was not necessary. A big MAHALO to Walt and Sally who do a great job keeping us happy with a variety of daily snacks
- We have made a \$100 donation to Hospice of Kona in memory of Bob Bailey. Did you know Bob was a past president of the KBC?
- Liz will order jumbo print cards for one set of boards and we will try it out. This came as a request from several members.
- Makua Lani is not having a summer program so we may be able to change some times and days according to our wants. We completed a polling of members who played over the last week as to their preferences for a summer schedule change. Most people(16) voted for (A).Monday and Wednesday afternoons(1:00) and Thursday mornings(9:00). This must be approved by the school. I will let you know when and if any changes begin but it wouldn't be before school is out in June. This also could lead to changes for the next school year.

Don't forget to check our website regularly at konabridge.org. Sara Ito is doing a fantastic job adding new items and constantly updating! MAHALO, Sara.

Aloha,

Dan
